STUDENT NAME:_____GRADE:_____ 1st PER. TEACHER_____

On Tuesday April 23rd, I will be participating in the annual Alki Rock N' Run Fundraiser!
During my P.E. Class, I will complete as many laps as possible around the track.
All funds raised will go to the Alki PTSA General fund to support some of their goals such as purchasing filtered water fountains for each student wing in the facility and a digital marquee reader for the outside of my school and more! I hope you can help support my education and school, more importantly my health and well being!

Each student will have approximately 40 minutes to run/jog/walk.
Students are encouraged to do the best they can; the average student completes 10-15 laps.
Pledge accordingly. Or if preferred a flat rate may suit sponsors best!
